

Applied Mathematics Seminar

Dr. Lauren Keough

Mathematics – Grand Valley State University

Friday, October 20 1-1:50pm

MAK A-2-155 or [via zoom](#) (request password from ortizron at gvsu dot edu)

An Introduction to the Tidyverse

Abstract: The Tidyverse is an “opinionated collection of R packages for data science”. In this talk we’ll discuss visualizing, wrangling, and exploring data inside of the tidyverse. This will be a “hands on” talk, make a free account at posit.cloud and bring a laptop if you have one!
